

Commitment

I have been informed about the Homework Learning Center and wish to be a volunteer mentor. I promise to uphold my part of the volunteer-student relationship. I understand this relationship is grounded in the hope improving the student's homework habits.

Confidentiality

I promise to maintain the dignity of the students I am matched with, including respect for the student's privacy, property, family and friends. I will honor mutually agreed upon boundaries of time, location, information and physical contact. I will hold confidential, within the volunteer team and staff and referrals of the program, all matters discussed or issues addressed in our mentoring relationship, except in those cases where the client gives specific release of information permission.

Disclosure

I understand that the limits of confidentiality, however, include that by law I must immediately report to the appropriate civil authorities (through Volunteer Recruiter) any involvement that the client may have in regard to child abuse, confession of a felony (serious property or physical injury) offense, the intention to do bodily harm to another person, or the intention to commit suicide.

Waiver

I understand that I am personally responsible for fulfilling this agreement. I understand that any injury I might sustain is covered by my own insurance and that my volunteer involvement is covered by the Federal Volunteer Act. I agree to release and agree to hold harmless and indemnify Homework Learning Center and the collaborative agencies involved in the Homework Learning Center from any and all injuries, damages, costs and liability of any kind arising from the performance of this agreement and the provision of services to the client. This covenant shall bind my estate, successors, heirs and personal representatives.
